SOHO BEACH HOUSE CANOUAN EXPERIENCE

On the secluded island of Canouan, part of Saint Vincent and the Grenadines, the first Soho House in the Caribbean is set on the idyllic beaches of Grand Bay. Our soft sandy beaches meet the deep alluring waters of the calm turquoise Caribbean Sea.

The House occupies a former hotel that has been reimaged by Soho House Design; inspired by its surroundings, using locally sourced materials, the House is set across three existing buildings and converted palapas that are just a few steps from the sea.

Arrive by boat to the original wooden jetty onto the island, just a short walk to the reception in a palapa made from chiqui chiqui grass, with high ceilings and a woven roof. Unplug from your everyday lives and be at one with nature, where our team is waiting to deliver an unforgettable home away from home experience specially catered for you.

ABOUT THE HOUSE

40 bedrooms, 3 bars, a restaurant, a boutique, a deli, and a Health Club, that hosts visiting wellness specialists as well as a Cowshed Spa pop-up.

The Deli offers a selection of wine, picnic packages, soft serve ice cream, sundries and a variety of homemade smoothies with local ingredients

TIPS WHEN TRAVELING

ARRIVAL THROUGH BARBADOS WITH SVG AIR

· Once you arrive at Barbados airport, as soon as you enter the airport building, kindly look for a Meet and Greet representative from our regional SVG airlines holding a sign with your name. They will take you to the transit area and expedite you through all formalities. The SVG airline's team will assist in transferring all of your bags from your arrival to your short flight to Canouan. If they have issues locating your bags, an airline representative will approach you and share an update. If you don't hear anything from them and still have your new luggage tags with you, your bags have been successfully transferred. No news is good news!

· Please remember that our regional airlines connecting the Grenadine islands do not have stationary representatives or desks at international airports, so they will be moving from one station to another in preparation for your flight. Please wait patiently at your gate until they arrive and inform everyone it is time for boarding. Occasionally, due to the delays of other international flights and with the best intention not to leave anyone behind, flights to Canouan can be delayed up to 30-45 minutes.

· Once in the air, get ready to enjoy some of the most scenic views of beautiful Grenadines. Before landing in Canouan, your plane might make short stops to some other islands - often in Bequia and Union islands. This will give you an unforgettable experience flying over these picturesque islands and their turquoise waters. Because here at Grenadines, we love to think that it's not only the destination - but the whole journey! That said, please listen to the pilot's announcement when you arrive in Canouan.

ARRIVAL THROUGH ST VINCENT WITH SVG AIR

· Unfortunately, at this moment, our airline partners cannot provide regional flights on which you can connect straight from your international flight without overnighting. Every effort is made to make this option available for all of our guests in the future, but in the meantime, we will be happy to assist you with hotel recommendations and bookings for your short stay in St. Vincent. Please note that we will do our best to accommodate your early check-in at the House the next day you arrive on the morning flight.
